

# DUVAL COUNTY COMMUNITY HEALTH IMPROVEMENT PLAN 2017 - 2019

## STRATEGIC PRIORITY 1

Healthy Families and Healthy Babies

### GOAL:

Reduce infant mortality and morbidity

## STRATEGIC PRIORITY 2

Healthiest Weight

### GOALS:

Increase the percent of children and adults who are at a healthy weight

Increase access to nutritious and affordable food

## STRATEGIC PRIORITY 3

Behavioral Health

### GOALS:

Reduce deaths due to suicide

Reduce opioid use related deaths

## STRATEGIC PRIORITY 4

Access to Care

### GOAL:

Decrease barriers to accessing care

### GET INVOLVED!

The Community Health Assessment and Community Health Improvement Plan are community-driven processes. All residents are encouraged to participate in improving Duval County's health.
